## OUR VISION

To Pioneer a New Paradigm of Excellence in Secondary Education through a learner-centered educational system aimed at awakening and fostering the latent capacity of each student to fully develop his or her own unique individuality and creativity.

## OUR MISSION

Sanskar is a School dedicated to the objective of honing and nurturing the intellectual, social and emotional growth of each student. We aspire to attain academic excellence through a rigorous academic programme which encourages inquiry, creativity and innovation so as to tap the rich human potential of each student and prepare them to successfully compete in a global environment.

## **EXCELLENCE**

We believe that the Pursuit of Excellence is the first step towards a more effective and satisfying life. Our experienced and qualified educators are well-trained and amply prepared to encourage students to strive for excellence in all their endeavors and realize their full potential.

## **INTEGRITY**

Sanskar students demonstrate integrity and high moral character by adhering to ethical principles, acting honorably and ensuring that there is consistency between their beliefs, words, and actions.

## **RESPECT & RESPONSIBILITY**

We believe in the inherent dignity of all people. We value and honor self and others through words and actions. We at Sanskar encourage students to honor each person's individuality, celebrate our diversity, foster mutual respect and always act responsibly.

## **LEADERSHIP**

We believe that "leadership is the capacity to translate vision into reality." We, therefore, seek to nurture, empower and inspire students and teachers to be innovative and resourceful leaders within their own spheres.

## **COMMUNITY**

Sanskar encourages building lasting and rewarding relationships between teachers and students. We emphasize mutual respect, cooperation, and collaboration. Students need to recognize the importance of being a part of something greater than them and accept their duties & obligations towards the School, the local community and the larger global community.

## **CREATIVITY AND INNOVATION**

At Sanskar we are committed to awakening, cultivating and fostering each student to discover his or her unique individuality and creativity in an atmosphere that embraces questioning and exploration.

# WHAT MAKES PRUDENCE

## EXCELLENCE IN ACADEMICS

- An Academic Advisory Board comprising eminent educationists, bureaucrats and sportspersons is being constituted to guide and monitor excellence in education.
- Well researched scientific curriculum based on best practices of renowned educationists and scholars with emphasis on academic rigor and experiential learning throughout.

- Global Connect to prepare the students for a career that has no geographical boundaries.
- Community Service to promote high virtues of a good citizen.
- Engaging field trips, Gala Events and Fascinating excursions.

## 21<sup>st</sup> CENTURY LEARNING

We believe that 21st-century learning paradigm embodies an approach to teaching that marries content to skill. Students master content while producing, synthesizing, evaluating and understanding information from a wide variety of subjects and sources. We believe in teaching certain core competencies such as Creativity, Communication, Collaboration and Problem-solving to help students thrive in today's world.
